Respected Guardian,

Today, the whole of world is affected with global pandemic Covid-19 which is affecting not only the economy and social life but education system also. In the time of this global pandemic, **it has been decided by the management to arrange online classes for BBVN Students from 1st June 2020.**

You are hereby informed that the study material will be available on YouTube through **BBVN Online Channel**. It has class wise channels individually. The channel details and classes link will be sent through whatsapp group.

Students are instructed to take the classes on regular basis as their attendance will be mark here itself. On the basis of these classes tests will be conducted.

Students may feel free to contact the subject teachers for their queries personally between 9.00 A.M. to 3.00 P.M on working days only.

Hope to get your cooperation as we used to get previously.
