The nationwide lockdown due to COVID-19 pandemic has led to a burst of activity with online education. The COVID-19 has resulted in schools closed all across the world. Globally, over approximately 1.2 billion children were out of the classroom. As a result, the instructional method of education has changed dramatically, with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms. At Bagaria Bal Vidya Niketan, Laxmangarh, by using various Innovative tools to facilitate learning by the students. Our students were engaged themselves in various co-curricular and life skill activities. Priority was on academic performance only. Online remedial teaching, revisions, unit tests, class tests, assignments, project works, end of term exams, which have kept them busy throughout the year. Our teachers were regularly in contact with the students and parents and taking the online classes counseling and guidance regularly. Apart from this, students were given various other online extracurricular activities on day to day basis which they can carry out online from home and they were encouraged to put their videos on social media also to be a demand of the day and achieve excitement to better

As we passed and passing through an unprecedented crisis from the beginning of academic year 2020 we are confident that we will overcome all the odds by our strong will and ethics and pave the way for the betterment of the education fraternity and the society in general. Thanks to school management, teaching staff, non-teaching staff, students and parents who have been with us in all our activities with maximum support and co-operation.
